- At the beginning of the TO, R2 shows R1 at shoulder level the number of TO’s used by each team.
- If one or both teams are in the huddle at :15 second mark,
  - R2 double whistles warning
  - If both teams are on the court before or at :00 seconds: Horn sounds

- If both teams sub at the same time, hold one team's sub, administer the first team, then administer the second team.
- Notify coaches at 15<sup>th</sup>, 16<sup>th</sup>, 17<sup>th</sup>, and 18<sup>th</sup> subs with sub signal and hand signal of number of subs used.
- After the sub(s), get on the receiving side, scan benches, and give the court back to R1 with signal.

## R2 Initiates Signal During Play

- R2 blows whistle for:
  - Net violations, center line violations, antennae violations on R2 side, out of rotation on receiving team.
- Whenever R2 initiates a call,
  - R1 **waits** for R2 to step to side of fault and signal fault (with player number if net violation).
  - **R1 awards point.** R2 **follows** R1 in awarding point. (R2 is done signaling.)
  - R1 shows player number if net violation.

## End of Set

- R2 does NOT show change of court (if switching) or release to bench (if staying on same sides).
- If teams switch, R2 facilitates that the 6 players on court on the right side immediately go around R1 to the opposite court. (Team members on bench bring water, etc., to the other side.)
